REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

Upon reconsideration, the Examiner now agrees that Applicant's argument "Orologio fails to teach anything regarding perforations" is persuasive. In particular, it is noted that Orologio's bubble-pack invention is directed to be used as a underground moisture barrier (column 1, lines 13-22). As such, perforating the bubble-pack in the land area for moisture permeation is neither taught nor suggested by Orologio.

Conclusion

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
